

### REMARKS

This Supplemental Amendment is further to the Amendment dated August 30, 2007. Claims 118 to 142 are presented for examination. Claims 118, 130 and 142, the independent claims, have been amended. Reconsideration and further examination are respectfully requested.

Applicants thank the Examiner for the courtesies and thoughtful treatment afforded to Applicants' undersigned representative during the October 11, 2007 and November 6, 2007 telephonic interviews with the Examiner. Applicants submit that the foregoing amendments accurately reflect the substance of the interviews.

Turning to the Office Action, Claims 118 to 142 were rejected under 35 U.S.C. § 103(a) over U.S. Patent No. 5,732,277 (Kodosky) in view of <http://www.uiml.org/> (UIML). During the interviews, the Examiner tentatively indicated that the foregoing amendments would overcome the rejections. Accordingly, reconsideration and withdrawal of the rejections are respectfully requested.

No other matters being raised, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.

Applicants' undersigned attorney may be reached in our Costa Mesa,  
California office at (714) 540-8700. All correspondence should continue to be directed to  
our below-listed address.

Respectfully submitted,

/Gregory S. Weaver, #53,751/
